

## **There is nothing Finer than Shiner!**

**Come work in a 113-year-old legendary Texas brewery and learn what it takes to join the best team in beer by applying for our 12-week Summer Internship Program. Our goal is to place successful interns into full-time roles once they graduate from college.**

**Applicants must be 21 years old, eligible to work in the US, and a student or recent graduate. We would like students with hard work ethic, a willing attitude to learn, and a love for Shiner Beer. We would strongly recommend students that have family/friends that live in the area that would not mind a summer guest.**

**Instead of a foreign exchange program, immerse yourself in our Czech and German cultures deep in the heart of Texas! Sing “Pivo and Kolaches” with the locals, learn to polka like a pro, and “Prosit” with the fruit of your labor every night!**

**DEADLINE: April 4, 2023**

**Interested? Email your resume and cover letter to [shinerhr@spoztl.com](mailto:shinerhr@spoztl.com)**
