

TEXAS FOOD  
PROCESSORS ASSOCIATION

*Attention:*  
**Food Science and  
Technology Students  
Scholarship Information**

Attached is a form needed to apply for a Texas Food Processors Association Scholarship. Students who apply must be willing to be interviewed by the Scholarship Selection Committee on Nov. 8, in the Horticulture/Forestry Science Building. The cash award will be made prior to the spring semester. Each winner will then be asked to attend the Association's annual meeting, May 16, 2024, at the Hilton Dallas Hotel in Souhtlake to receive their certificate and proper recognition. A total of \$45,000 in scholarship money will be awarded. All undergraduate students majoring in Food Science and Technology are eligible. You must be currently enrolled at Texas A&M University.

The completed form must be returned with your 500-word essay on "Why I picked Food Science as a major and what impact a TFPA scholarship will have on the pursuit of my degree" -- to Dr. Al Wagner, Room 225B, Horticulture/Forestry Science Building, no later than 4 p.m. **Nov. 1, 2023.**

Based on your essay and resume, the scholarship committee will select the top 10 candidates to be interviewed on Nov. 8th.
